EXPERIENCE ALL OF THE
EXCITEMENT BUT NONE OF THE
STRESS MOVING TO NEW YORK

You've Had A Very Successful And Busy Year

You've gotten the promotion and with new responsibilities comes a move to New York City. From the smallest detail to the largest, Elaine Wong wants to be your real estate problem solver. A former New York City urban planner, Elaine knows how the city works, from accessing building

department records to understanding why a new bus shelter is being erected on your block. As a past developer, she is knowledgeable in resolving construction and certificate of occupancy issues. With experience as a co-op treasurer and board member, Elaine is practiced in reading the books,

filing tax abatements, challenging tax hikes, and knowing what an interviewing board will be looking for in a prospective co-op purchaser. For more information contact Elaine Wong, New York Living Solutions, at ewong@nyls.net, 203-947-1288.
